

# Modest Mouse, The Cold Part

So long to this cold, cold part of the world

So long to this cold, cold part of the world  
So long to this bone-bleached part of the world  
So long to this cold, cold part of the world  
So long to this salt-soaked part of the world  
I stepped down as president of Antarctica  
Can't blame me  
Don't blame me  
So long to this sad, sad part of the world  
So long
