

Modwheelmood, Sleep

Take some wine to open your eyes
Take the time
What's up with you my friend?
I think it's all the same
I wish that I could help you
I wish that I could help you with your mind
Well, come on

It's been some time
It's been some time
Goodbye, it's not an easy thing to do
And pardon me if I don't see your point of view
I've been inside the red room
I break the shit you've been through
All the tears and all those years
I wish that I could help you
I wish that I could touch you

Why do you sleep? No one wants to sleep.
Why do you sleep? No one wants to sleep.
Why do you sleep when no one wants...
What do you dream? I don't want to see
Why do you sleep? I don't want to sleep.
Why do you, why do you, why do you, why do you
Why do you sleep when no one wants...

Still the same
Therefore getting used to what I do
And I don't see I still can't feel your point of view
I'm stuck in freakin' lamewood
It's running into circles
It's been a dream, it's been for real
I wish that I could go through
I wish that I could go through

Why do you sleep? No one wants to sleep.
Why do you sleep? No one wants to sleep.
Why do you sleep when no one wants...
What do you dream? I don't want to see
Why do you sleep? I don't want to sleep.
Why do you, why do you, why do you, why do you
Why do you sleep when no one wants...

When no one wants....

Rejected, here I am I'm innocent, I'm innocent
Rejected, here I am I'm innocent, I'm innocent, innocent, innocent
So let me ask once again:

Why do you sleep? No one wants to sleep.
Why do you sleep? I don't want to sleep.
Why do you sleep when no one wants...
What do you dream? I don't want to see.
Why do you sleep? I don't want to sleep.
Why do you? Why do you? Why do you? Why do you?
Why do you sleep when no one wants...
Why do you sleep? No one wants to sleep.
Why do you sleep? I don't want to sleep.
Why do you sleep when no one wants...
What do you dream? I don't want to see.
Why do you sleep? I don't want to sleep.
Why do you? Why do you? Why do you? Why do you?
Why do you sleep?
Why do you sleep?

Why do you....
