Green water give you clean cool buzz
Cocaine money, youll sell your blood
Damn the things that you do
To yourself you do to your friends
And everybody else we know how it ends
With a boom

Boom boom boom bang bang bang
Boom boom boom
Boom boom boom bang bang bang
Boom boom boom

Shoved into a tin can stands
On the subway its monday
Old man with a tin can in his hands
He wants money its ugly

Boom boom boom bang bang bang

Have you seen me on tv
My money makes me lonely

Boom boom boom bang bang bang

Green water give you clean cool buzz
Cocaine money, youll sell your blood
Damn the things that you do
To yourself you do to your friends
And everybody else we know how it ends
With a boom
