

# MoeDeLL, Remarkable

Break my back again  
left for dead but i feel fine  
strip me down of everything  
cant complain cuz i dont mind

Cuz i feel so remarkable today  
only lonely turned the other way  
stumbled right across my peace of mind  
im down  
but im ok  
yeah see im fine

Fascination covers me  
got me trapped in the right mind  
bleeding heart pours from me  
cant complain cuz i dont mind
