

# MoeDeLL, Sensational

Is it beginning  
the hatreds not ending for me now  
did you ever wonder why  
Talk to me later  
I'm beginning to fade so slowly now  
did you ever wonder why  
did you wonder

Cause I'm flying  
its so right on

Climb up on my vines  
suspended in my time slowly now  
and did you ever think of me  
Cover me later  
its beginning to rain so slowly now  
did you ever wonder why  
did you wonder
