

# Mollie King, Back To You

Why do I keep coming back to you? /2x

Don't wanna be with nobody  
Just wanna make it with you  
Caught up with all of my feelings  
Baby, why don't you feel like I do?  
And I wonder what you're thinking right now  
No one ever can tell!  
And I wonder why we're doing this now  
I keep asking myself

Why do I keep coming back to you? /4x

We're staring up to the ceiling  
Why do we do what we do?  
When you put your body on me  
You know I keep on falling for you  
And I wonder what you're thinking right now  
Cause I'm going through hell  
And I wonder why we're doing this now  
I keep asking myself  
Why do I keep coming back to you? /4x

And I know that you know that we do this over and over  
But it's always been you, that I'm running to over and over  
Back to, us to  
Why you? /2x

Why do I keep coming back to you? /8x

And I know that you know that we do this over and over  
But it's always been you that I'm running to over and over  
Back to us two
