

# Molly Hatchet, Flirtin' With Disaster

I'm travelin' down the road an' I'm flirtin' with disaster  
I've got the pedal to the floor an' my life is running faster  
I'm outta money outta hope it looks like self destruction  
Well how much more can we take with all of this corruption  
We're flirtin' with disaster, ya'll know what I mean  
And the way we run our lives it makes no sense to me  
I don't know about yourself or what you wanna to be, yeah  
When we gamble with our time we choose our destiny

I'm travelin' down that lonesome road.  
Feel like I'm draggin' a heavy load.  
Yet I've tried to turn my head away,  
Feel about the same most every day  
You know what I'm talkin' about man  
Speeding down the fast lane an' honey we're playin' from town to town  
The boys and I been burnin' it up can't seem to slow it down  
I got the pedal to the floor our lives are runnin' faster,  
We got our sight set straight ahead but I ain't sure what we're after  
We're flirtin' with disaster ya'll damn sure know what I mean.  
You know the way we run our lives it makes no sense to me  
I don't know about yourself or what you plan to be, yeah  
When we gamble with our time we choose our destiny  
Yeah!! We're travelin' down that lonesome road.  
Feel like I'm dragging a heavy load.  
Though I try to turn my head away,  
I'm flirtin' with disaster every day.  
An' you are too baby, Ha ha ha ha ha  
You aim for everyone, Oh come on baby  
Guitar solo

We're flirtin' with disaster baby ya'll know what I mean  
You know the way we run our lives it makes no sense to me  
I don't know about yourself or what you plan to be  
When we gamble with our time we choose our destiny  
Yeah!! We're travelin' down this lonesome road.  
Feel like I'm dragging a heavy load.  
Though I try to turn my head away, Bop mm bop bop yeah  
We're flirtin' with disaster every day.
