

Molly Hatchet, Hit The Road

I left my home down in Georgia and headed to the fisco bay
Didn't know what I was gonna do, but I knew I had somethin' to say
Because time yes and time again, I tried to speak my mind
I told ya once and I told ya twice, you never took my advice.

Chorus:

Oh, baby girl, honey you just, you just don't know
Think I'll pack my bags, I'm gonna get back on the road.
now when yyou were mine i walked the line, did it right everyday
Now it's time I packed my bags and cut out on my way
Cause time and time again, I tried to speak my mind
I told ya once, I told ya twice, you never took my advice.

Chorus:

Oh, baby girl, honey you just, you just don't know
Think I'll pack my bags, I'm gonna get back on the road.
