

# Monica, U Should've Known

I didn't ask to go with you to Mexico.  
I really didn't need the shoppin spees in  
L.A, on Melrose,boy if you didn't know it well know you know.  
I didn't need the furs, or the jewelry because material things they don't mean much to me,  
and ever since you've been gone,  
I've been holdin us down on my own

[Hook:]  
I never evr cheated.  
I never ever lied.  
So you could stop asking me,  
asking me why?  
Why i never left you?  
And why I kept it real?  
And why i'm still with you?

[Chorus:]  
U should've known better than to think I would leave.  
U should've better than to doubt me dear.  
It don't matter if you're,matter if you're down.  
Either way i'm gonna be around.  
U shoud've known that I would stay by your side.  
U should've known your girl was gonna ride or die.  
And it just don't matter if you're rich, or poor,out'or in,  
doing 5 to 10.  
U should've known better.

[Verse2:]  
What makes you think that I would forget about you.  
Think about it,who comes to see ya.  
Every saturday and monday,  
I was on that reciever.  
Me (me),  
Your girl (girl)  
Your life (life)  
Your world (world)  
Family and friends they just don't understand.  
They say I should leave you alone, but I say that they all should just leave us alone.  
Don't you get it?

[Hook:1x]

[Chorus:1x]

[Chorus repeated]  
No matter what they think about you,  
there's nothing I could do without you.
