

# Monica, U Should've Known Better

Oh, oh  
Lalalalala

I didn't ask to go with you to Mexico  
I really didn't need the shopping spree  
In LA or Melrose  
Boy, if you didn't know it, well now you know  
I didn't need the furs or the jewelry  
Because material things  
It don't mean much to me  
And ever since you've been gone  
I've been holding us down, on my own  
And no

I never ever cheated  
I never ever lied  
So you can stop askin'  
Askin' me why  
Why I never left you  
And why I kept it real  
And why I'm still with you

You should've known better  
Than to think I would leave  
You should've known better  
Than to doubt me (me)  
It don't matter if you're up  
Matter if you're down  
Either way, I'm gonna be around

You should've known that  
I would stay by your side  
Should've known your girl  
Was gonna ride or die  
And it just don't matter  
If you're rich or poor  
Out or in  
Doin' 5 to 10  
You should've known better

What makes you think  
That I would forget about ya  
Think about it  
Who comes to see ya  
Every Saturday and Monday  
I was on that receiver

It's me (me)  
Your girl (girl)  
Your life (life)  
Your world (world)  
My family and friends  
They just don't understand  
They say, I should leave you alone  
But I say, that they all should just leave us alone

Don't you get it  
I never ever cheated  
I never ever lied  
So you can stop askin'  
Askin' me why  
Why I never left you  
And why I kept it real  
And why I'm still with you

You should've known better  
Than to think I would leave  
You should've known better  
Than to doubt me  
It don't matter if you're up  
Matter if you're down  
Either way, I'm gonna be around

You should've known that  
I would stay by your side  
Should've known your girl  
Was gonna ride or die  
And it just don't matter  
If you're rich or poor  
Out or in  
Doin' 5 to 10  
You should've known better

(musical interlude)

You should've known better  
Than to think I would leave  
You should've known better  
Than to doubt me  
It don't matter if you're up  
Matter if you're down  
Either way, I'm gonna be around

You should've known that  
I would stay by your side  
Should've known your girl  
Was gonna ride or die  
And it just don't matter  
If you're rich or poor  
Out or in  
Doin' 5 to 10  
You should've known better
