

Monika Ferens, How Far

I found the old message from you
And Ive felt so much regret
If only I knew what I know today
I wouldnt write back
I beg God for one more conversation
To make sure pain gone by
But it only brought me more weight to
Carry on my tired back
Ill forget your face
Ill move on without you beside

[Chorus]

But how far will I go without mourning your love?
Cause in the end I know my love wasnt enough
I wish I could explain you all
Whats under my exterior
Cause I conceal it in hypocrisy
Im too weak to face love
You can call me an actress
I play that I dont care
I fake blind but I always turn around
To see you walking away
Ill throw it away
Ill move on with nothing to say

[Chorus]

Did I really thought I could change your life?
I have just abused the thoughts about you
Baby look what Ive done
Now theres nothing left for me
Than to hide my face in hands
In shame

[Chorus 2x]
