

Monika Mo-J Jarosińska, Sex Shop

I?m a woman
You plastic doll from a sex shop
From a sex shop
I don?t wanna ()
I want my make-up,
Just my make-up

Girls, girls
What happen?
Beauty?s gone
Telling yourself: you?re ugly on and on
Unofficial lips and enormous tits
This is a woman hit
Apocalypse

You?ve lost your enemy
See the beauty with it in
Not that ugly, ugly thing
From the Cosmo, Cosmo magazine

I?m a woman
You plastic doll from a sex shop
From a sex shop
I don?t wanna ()
I want my make-up,
Just my make-up
