

# Monika Pietrasińska, Gloria

I've been looking for the light  
Without a searching through to the night  
Glory  
We've been celebrating the life  
We both know we're still alive  
Don't worry

They want you and I survive  
They want me to start the fight  
For glory

There's no place to hide  
You can fight for the rights  
Don't worry

Tell me where's my Gloria  
I'm still looking for the light  
In a tunnel  
/2x

I've been diving in the sand  
Leaving in the world of hate  
For glory  
I want stay in the ground  
But we just missing all around  
Don't worry  
Tell me why I want survive  
Tell me why we've started the fight  
For glory?

There's no place to hide  
You can fight for the rights  
Don't worry

Tell me where's my Gloria  
I'm still looking for the light  
In a tunnel  
/2x

Gloria  
I'm still looking for the light  
Tell me where's my Gloria  
In a tunnel
