

Monkey Steals The Peach, Guitar Hero

I'm so sick and tired of being bored,
Had it up to here with being ignored.
The kids that walk by in their tired haze,
Lookin' for a place just to have their say:

Gonna be a guitar hero!
We finally got our way!
Gonna be a guitar hero!
Gotta get on stage today!

There's too many players that we despise,
Gotta find a way to equalize --
Decimate the robots down on the floor:
That's what i use star power for!

Gonna be a guitar hero!
We finally got our way!
Gonna be a guitar hero!
Gotta get on stage today!

Guitar!

Hero!

Guitar!

Gonna be a guitar hero
We finally got our way!

Gonna be a guitar hero
Gotta get on stage today

Gonna be a guitar hero
We finally got our way

Gonna be a guitar hero
Gonna get on stage

Gonna be a guitar
Gonna be a guitar
Gonna be a guitar
Hero!

Gonna be a guitar
Gonna be a guitar
Gonna be a guitar
Hero!

Gonna be a guitar
Gonna be a guitar
Gonna be a guitar
Hero!

Gonna be a guitar
Gonna be a guitar
Gonna be a guitar

Gonna be a guitar
Gonna be a guitar
Gonna be a guitar
Hero!
