

Monrose, Love Don't Come Easy

I've travelled the whole wide world
Still I haven't found you
Call out your name almost every day
Hope to hear from you soon

Still believe that you will come to me
And I'll be waiting right here
I keep on looking for you patiently
Fighting out all doubts and fears

Just a vision of you is enough for the prove
And I'm willing to do what it takes
I am ready for pain and the joy that you bring
I'm holding on even if my heart breaks

Chorus:
Love, love don't come easy
For the one who wants to be loved
Love, love don't come easy
Seems there is none but I won't give up
Love, love don't come easy
Feelings grow slowly, slowly
Love is taking its time
Love don't come easy
Don't wanna be lonely, lonely
One day you will be mine, you will be mine

I've lived so many lives
I've touched millions of hearts
I've spread my wings but couldn't fly
Though I wished on so many stars

I painted different pictures in my mind
But I can't build a frame
And what's the use of painting if I seem to be blind
Please show me your face

Just a vision of you is enough for the prove
And I'm willing to do what it takes
I am ready for pain and the joy that you bring
I'm holding on even if my heart breaks

(Chorus)

What did I do
Did I scare you away
What can I do to make you stay
Why can't you see I'm on my knees
I need you here with me, ooh

Love, love don't come easy
For the one who wants to be loved
Love, love don't come easy
Seems there is none but I won't give up
Love, love don't come easy
Feelings grow slowly, slowly
Love is taking its time
Love don't come easy
Don't wanna be lonely, lonely
One day you will be mine, you will be mine
