

Monrose, No Never

Strophe 1:

Gin and Tonic Lies Gaint red Warning Signs. Wanna Put in a rocket.
So you're A long, long Way from here. You're nit thinking Wise.I'm
not thinking anything nice. Don't you come around here no more(more)
Coz you've been sorry 8,9,10 Times before.

Chorus:

It's a waste of Time no point in trying to make it up,Oh boy. Your Lips
Start talking, you think you know what well,Ah wella..You and me-No
never. Then you get all reckless "Coz I'm not gonna drop , Oh so you
think I'm gonna lay down and let you take another shot, ah wella..
You and me-No never(YEAH)

Strophe 2:

Bitter Lemon smile. Awful good at acting wild.I could show you how
to do it, but then I might have to care. Baby I don't care.Words
don't take my anywhere. Oh don't you come around, here no more.
COZ, I've been Sorry 8,9,10 Times before .

Chorus:

.....

Strophe 3:

Boy stop working on me I'm not (not) . Intrested in your attempt. To
make me over again. Don't waste time. There's no Point. Make it up.
Don't you try. Lay it down. Take a shot. You and me-No never. No
no no never again.

Chorus
