

# Monrose, Tip Toe

Looking in your eyes for signs  
Got my full attention  
Tell me you can read my mind  
I'm not gonna question  
Tell my fortune  
Time and again I've heard  
He say- She say  
I don't wanna know  
Show devotion  
Don't say another word  
I care more for - the sensual

Chorus:

Tip Toe  
Time to come over  
Swing low  
Keep undercover  
Pee po  
Time to come over here

Never have I felt so high  
Such a strong connection  
Feel no need to justify  
Giving my affection  
Like an oceans  
Gentle carressing waves sweep me over  
Take my breath away  
Every motion - Can't find the words to say  
So much for the sensual (Ah)

Chorus:

Tip Toe  
Time to come over  
Swing low  
Keep undercover  
Pee po  
Time to come over here

to outro ...
