

Monrose, Walking Away (ft. Craig David)

[Craig David]

Staring at the door, but knows I want you girl to stay
But we both know I got's to walk away
We've been here so many times before
Can't take the arguments no more
So many nights just get a little night away so

[Craig David + Monrose]

I'm walking away from the troubles in my life
I'm walking away oh to find a better day
I'm walking away from the troubles in my life
I'm walking away oh to find a better day
I'm walking away

[Senna]

Sometimes some people get me wrong
When it's something I've said or done

[Mandy]

Sometimes you feel there is no fun
That's why you turn and run

[Bahar]

But now I truly realise
Some people don't wanna compromise
Well I saw them with my own eyes spreading those lies, and
Well I don't wanna live a lie, too many sleepless nights
Not mentioning the fights, I'm sorry to say baby

[Craig David + Monrose]

I'm walking away from the troubles in my life
I'm walking away oh to find a better day
I'm walking away from the troubles in my life
I'm walking away oh to find a better day
I'm walking away

[Senna]

Well I'm so tired baby
Things you say you're driving me away

[Mandy]

Whispers in the powder room baby
Don't listen to the games they play

[Bahar]

Boy I thought you'd realise
I'm not like them other girls
'Cause I saw them with my own eyes
You should've been more wise, and
Well I don't wanna live a lie (live a lie), too many sleepless nights
Not mentioning the fights, I'm sorry to say baby

[Craig David + Monrose]

I'm walking away from the troubles in my life
I'm walking away oh to find a better day
I'm walking away from the troubles in my life
I'm walking away oh to find a better day
I'm walking away from the troubles in my life
I'm walking away oh to find a better day
I'm walking away from the troubles in my life
I'm walking away oh to find a better day
I'm walking away...
