

# Monrose, What You Don't Know

What you don't know  
Is that your scars are beautiful  
What you don't know  
Is your imperfections are what make me whole  
What you don't know  
Is our borrowed time  
Cause I can't speak whenever you're around

"And it's not like me to hide behind a wall  
And it's not like me to fear the fall"

"What you don't know  
Is that I lie awake  
Wishing you were here tonight  
What you don't know  
Is that I loved you long before we were alive  
Cause how would you know, how could you know  
So now I'm gonna tell you everything"

What you don't know  
I have studied the way you walk  
What you don't know  
Is I've already kissed you in the shadows of my heart  
What you don't know  
Is that you're poetry  
If you turn around there's someone you won't see, yeah

"And it's not like me to hide behind a wall"

"What you don't know  
Is that I lie awake  
Wishing you were here tonight  
What you don't know  
Is that I loved you long before we were alive  
Cause how would you know, how could you know  
So now I'm gonna tell you everything"

What you don't know  
What you don't know

What you don't know  
Is when the moon and the sun collide  
The morning comes  
This time I won't be afraid to try

"What you don't know  
Is that I lie awake  
Wishing you were here tonight  
What you don't know  
That I loved you long before we were alive  
Cause how would you know, how could you know  
So now I'm gonna tell you everything"

What you don't know
