

# Monrose, Work It

Today now it's gonna be  
uhhhh - yeah  
One night, is all you say that you been hopin' for,  
Ohh yeah, yeah,  
Want be your traffin  
you know I'm looking out for something more  
Ohh yeah, yeah,

Have you think you getting' this, on the first night we kiss,  
You're mistaken (mistaken yeah, yeah)  
Something cute, I get you, some advise and how the profit be taken (ohh no).

You got to work it in the day,  
Work it in the night,  
Work it in the little things you do, to treat me right,  
Show me that you caring, what you do and what you say,  
Work it, Work it, Work it, that's the only way.

Don't get me wrong,  
You know I like to have a good time,  
But when it comes to a man,  
I'm a sen, I never compromise,

You got style, you got best,  
But you moving to fast,  
For me baby.

So be down, mayby I come aroun'  
Don't you hear, what I'm saying.

Ohh yeah, yeah, yeah

You got to work it in the day,  
Work it in the night,  
Work it in the little things you do, to treat me right,  
Show me that you caring, what you do and what you say,  
Work it, Work it, Work it, that's the only way.

What you got to give is real, what you say is what you feel.  
Telling all you bring us together,  
Got to be a number one, give us nothing to hold on to,  
Uhhh Boy you got to work it.

Work it day by day,  
You got to work it day by day,

You got to work it in the day,  
Work it in the night,  
Work it in the little things you do, to treat me right,  
Show me that you caring, what you do and what you say,  
Work it, Work it, Work it, that's the only way.
