

# Monster Magnet, Live For The Moment (Explicit V

There's a little pile of ashes  
Where my old life used to be  
Credit cards and memories  
All dumped into the sea  
Well this ain't no time for bullshit  
As I fly into the sun  
Well you can't trust anybody  
If you can't trust number one

## PRE-CHORUS:

Well the man tells me my future is not so far away  
And get ready for tomorrow, I gotta waste my whole today  
My inner luck knows better, it's what I wanna hear  
Just like a diamond bullet where it's crystal crystal clear  
Whoa yeah!

## CHORUS:

I can slap a tornado  
I can dry up a sea  
When I live for the moment  
There ain't no fucking me

You'll never find your pleasure  
If you worry about your pain  
And your precious little details  
Are stretching out my brain  
Well you spin around and bite your nails  
Now let me tell you, son  
That you can't trust anybody  
If you can't trust number one

## PRE-CHORUS

## CHORUS

Now don't you sell me no future  
Don't you sell me your love  
I ain't vouching your number  
You couldn't pay me enough

I ain't buying no future  
When the past is so far away

## CHORUS

Now don't you sell me no future  
Don't you sell me your love  
I ain't vouching your number  
You couldn't pay me enough

You couldn't pay me enough
