

Montell Jordan, Can't Get Enough

(feat. Ja Rule)

[Intro]

Yo, yo, yo

This is some of that old futuristic Mr. Spacely type shit

Yeah, yeah, yeah, come on

Talk about it

Hey shorty, love, what the deal, yo?

Let me hit that on the low low

Don't tell your friends, that's a no-no

Cuz if she knows, she's gon' wanna go home with me

Riding this nigga like you're suppose to be

All up on me, like bonin' me

But enough about her, see me in 10 minutes

In 30, I'm up in it cuz

[1]

I'mma put it on you until you can't get enough

I'mma work your body until you can't get enough

I'mma kiss the kitty until you can't get enough

Is that enough (It's not enough)

Is that enough (It's not enough)

[2]

I'mma put it on you until you can't get enough

I'mma work your body until you can't get enough

I'mma kiss the kitty until you can't get enough

(It's not enough, it's not enough)

27, 28, 29, 30

I'm in the bedroom all up in her legroom

But really though, how I like it, yo?

Spreadeagle with her toes to the ceiling, yo

Breaking it

I'm deep in the puddy and she's taking it

I'm thinking how long can I stay in it

About another 30 minutes

A 40 ounce and some Guinness

And shorty I'll be my witness that

[Repeat 1]

[Repeat 2]

[Repeat 1]

[Repeat 2]

Enough

[Repeat 1]

[Repeat 2]

[Repeat 2]

[Repeat 2]

[Repeat 2]

Let it ride

Let it ride

Let it ride
