

Montell Jordan, If I Die Tonight

(feat. Flesh-n-Bone, Monifah)

[Flesh-n-Bone:]

Flesh-n-Bone, Montell, Monifah,
something for my people.

(I was on my knees last night and I said)

Now, I'm gonna lay me down (down, down...) to sleep

I pray to the lord and to Heaven: go bless my soul to keep

and if I should die before I wake up, wake up, wake up

hope that He saved a place in Heaven so I pray everyday for the soul that He
take up, take up

[Montell Jordan:]

Oh, you never heard these words before (no)

And I know you've never seen this side of me, I'm quite sure

But livin' my life with you here is givin' me tears of joy

And I never wanna leave you baby

So if by chance I go

I want you to know

If I die tonight, it would be alright

Cause I finally found what most I've been searching for my whole damn life

If I die tonight, it would be OK

Cause being with you is like being in Heaven anyway

Monifah

Ooh, I never thought I'd feel this way for you

And I never thought I'd meet a man that made me wanna say "I do"

You changed my whole life forever and ever, oh yeah

So if God should call, here's what you do:

know he's got my soul in Heaven, but my heart's with you

If I die tonight, it would be alright

Cause I finally found what most I've been searching for my whole damn life

If I die tonight, it would be OK

Cause being with you is like being in Heaven anyway

Now, I'm gonna lay me down [down, down...] to sleep

I pray to the lord and to Heaven: go bless my soul to keep

and if I should die before I wake up, wake up, wake up

hope that He saved a place in Heaven so I pray everyday for the soul that He
take up, take up

Now I lay me down to sleep, I pray the lord my soul to keep

and if I should die before I wake, I pray the lord my soul to take

If I die tonight, it would be alright

Cause I finally found what most I've been searching for my whole damn life

If I die tonight, it would be OK

Cause being with you is like being in Heaven anyway
