

# Montell Jordan, Kevin Nash Interview

Yeah, I hear ya  
Ha, I hope she will tonight  
Hey, I'll keep my fingers crossed for ya

Aight, my man Montell  
Hit you in the head wit' some phat bangin' tracks  
That's for the party  
But not for the after-party  
If you know what I mean

Now first things first  
I'll wanna talk to the fellas  
Fellas, no disrespect

Now if you leaving the party without a honey?  
Ah, the second half of this album will NOT work for you  
Because the second half of this album  
Is strictly for the ladies

This is Kevin Nash  
And you know ladies how I like to do it  
Now if you feelin' this the way I'm feelin' this?  
Take your panties off  
Now if you're stuck up, just pull 'em to the side  
Ouch!
