Montell Montell remix

Shaunta You wanna ride

Shaunta Who wanna ride?

Montell Yo Shaunta gotcha open

[Shaunta Montgomery]

Bad boys like smooth chicks

I like mime bald bow legged and chocolate

Green eyes handlebars and big lips

Get it

Shaunta got you panicking

When the album drop, quiet like mannequins

Montell, I'ma take your body over

And when you ride again, I'ma roll you over

I never front 'cause I say what's on my mind

And do you all night

'Cause your girl never took her time

[Montell Jordan - Verse One]

Tell me

What it's like to be inside

I can imagine

'Cause girl I like the way you ride

The way you're dancing

You make nasty look so nice

Your love is bout it bout it baby

Don't you make me ask you twice if I can ride

[CHORUS]

Shaunta- Where you wanna go?

Montell- I wanna ride with you.

Shaunta- Where you wanna go?

Montell- Can you ride me too?

Shaunta- I don't know.

Montell- I don't know.

Shaunta- I just wanna...

Montell- Ahh ahh mmmmm

Shaunta- RIDE!

(repeat x2)

[Montell Jordan - Verse Two]

You're irresistible

I wanna hear you say "let's ride"

And in my videos

Yo got my body all excited

And now you're bouncing like they do

And New Orleans and A-T-L

'Cause this remix got 'em shaking

Saying "Keep it hot, Montell"

[BRIDGE]

She's going up and down and round and round enough

Ooh girl, you know I really wanna ride

[Repeat CHORUS]

[Shaunta Montgomery]

Where you wanna go (I throw your legs up in the air)

Let's do it again (I wanna ride)

Throw them legs like a Bronco

Room 190 after Nico

Yeah I sip moe

In restaurant-es call me Shaunta

The black pre-madonna

Don't mess with me, I does what I wanna (she does what she wanna)

To get my name right

Yall ride my style like childs on Huffy bikes
My steps too hot like ahh ahh
Can you take me there (ahh ahh)
But can you keep me there
'Cause brothers try to get it
Try to slit it
Try to hit it
But if you wanna fuck Montell
I'm with it
Ahh ahh mmm ahh ahh mmm
I like it like that
[Repeat CHORUS]
Shaunta- Where you wanna go?
Montell- Ohh
Shaunta- Where you wanna go?
Montell- Yeah yeah
Shaunta- I don't know.
Montell- Ohh
Shaunta- RIDE!
Shaunta- Where you wanna go?
M- Stepped in the club.

Montell- After my show.
Shaunta- I don't know.
Montell- You know that's bout it.
Shaunta- RIDE!
[Montell Jordan]
Everybody's on the low low
She's going up and down and round and round and down
