

# Montell Jordan, Why You Wanna Do That

featuring Redman

Intro:

Another another another another another

Number one hit to get your roll on

Another number one hit to get your roll on

Ahh anything I want boy

Ahh everything I need boy

Ahh anything I want boy

(Montell Jordan)

They say that money

Can't buy me love

But they don't know this

Tenderoni that I'm speaking of

She's so fly

From her head to her toes

And I suppose

That's why I'm tricking off my dough

Chorus 1:

So, if it's diamonds she wants, then I'll

Dig into a mine, and search until I find

And if it's furs that she needs to keep her warm

I'll wrestle a bear, to keep her lovin' right here

Chorus 2:

Anything she wants, everything she gets

She wants it all the time

So I'll provide and buy

Anything she wants and everything she gets

'Cause all her love is mine

When she's satisfied

(Montell Jordan)

"Anything I want boy..."

Ohh, that's what she said to me

She's a material girl

But that don't bother me

Check books, credit cards, American Express

Financially I'm twisted

And addicted, I confess

{repeat chorus 1}

{repeat chorus 2, 2X}

[Redman]

Yo yo

Yo son I ain't trickin' off ....

.... better trick me

Serving grade AD to A and TNC

Something like AK nell

Better fuck me for free

'Cause when trickin'

I do stickin' like IVs

I told Montell spend your money like your ....

If she yells Cristal

Give her Double Deuces

If she wants a mink

Get her ass a goose

She was shady before ya dropped (This Is How We Do It)

Now my MO

Hydro with a bimbo

Da' CoCo got her Cabana'

Out da window

I get deep like I stuck my feet in slow

You jump out of bed

Boggling, screaming TIMBO

When a broad want ice

Giver her ass an ice pick

And then dismiss

Like Vibe did Chris  
&quot;But diamonds are a girls best friend&quot;  
Yeah, yeah mine too  
That's why the 4-4 cocked right behind you  
{repeat chorus 2}  
I'll get your hair, nails and toes done  
I'll trick off all my dough  
To let you know that you're the one  
You'll like the car you drive  
The clothes I buy  
'Cause you're so fly  
Now tell me baby ... can Montell provide?  
{chorus 2, until fade}
