

# Montevideo, Nation

So much confusion  
Misinformations flowing  
through my brain  
This good fellow nation  
Are you sure that the good guys always win?  
So much confusion  
Misinformations flowing through my brain  
This good fellow nation  
I'm not sure that the good guy wins this time  
I'll never be the same  
I'll never be ashamed  
Stressed up  
Playing at  
Catch up  
Rely on  
I'm running to heaven  
(Bis)  
So much confusion  
A thousand feelings flowing in my veins  
A threat to the nation  
Whose side is god on in this one again?  
So much confusion  
A thousand feelings flowing in my veins  
A threat to the nation  
I'm not sure that the good guy always wins  
I'll never be the same  
I'll never be ashamed  
Stressed up  
Playing at  
Catch up  
Rely on (Bis)  
I'm running to heaven
