

Montevideo, Sunshine

I'll never be the same again
'cause my world has changed again
I have no rules left to break
Since I left your pillow
Time's raining on my face
Stormy clouds in my head
Let's go on holiday with all our friends
I'll never be the same again
Sunshine...

I'll be walking night and day
I don't care what they say
I have no rules left to follow
Since I've left your pillow
It's too late to change my mind
Too many ghosts are haunting me
Let's go on holiday with all our friends
I'll never be the same again
Sunshine...

Sunshine is haunting me to melt her down from my dead plastic memory
Sunshine is haunting me, now you're gone and now your ass is on tv
Sunshine...

Everybody loves the sunshine, how could it be this way
Everybody 's looking for sunshine, I'm so dizzy these days
