

Montgomery John Michael, Cover You In Kisses

You say it's cold back there in Denver
A foot of new snow on the ground
You're all bundled up in blankets
I'd give anything to be there with you now

CHORUS

I'd cover you in kisses
Hold you in my arms
That's all that I can think of
Every minute we're apart
Darlin' I've been livin'
For the moment that we touch
So I can cover you in kisses
Wrap you in my love
Baby keep that fire burning
Pour a glass of that sweet wine
Let your hair down on your shoulders
And I'll be there just in time

CHORUS

Darlin' I've been livin'
For the moment that we touch
So I can cover you in kisses
Wrap you in my love
