

# Montrose, I Got The Fire

If you&#039;re lookin&#039; for someone that you can keep  
Well, baby pass me by.

And if you want something that&#039;s twenty years deep

Baby, don&#039;t even try.

But if you want someone to take your soul

Maybe lift you a little bit higher...

I got the fire

Just &#039;cuz I&#039;m skinny, don&#039;t you sell me cheap

I&#039;m as long as a country mile.

Well some like it wide and some like it deep

And guess which one&#039;s my style!

If you think you can beat me at my own game

Well baby, I say you&#039;re a liar.

Well, I got the fire
