

# Montrose, One Thing On My Mind

Put on your coat and hat  
&#039;Cuz I like it like it like that.  
Honey, slip on your shoes  
About to rock away your blues.  
Everything you like, I&#039;m gonna make it right  
And baby there&#039;s only one thing on my mind! Oh, yeah.

Now tell your momma not to wait,  
We may be a little late.  
If things go right, we may just be all night.  
Well, I&#039;m feelin&#039; pretty hot  
And that&#039;s when I like it a lot.

And baby there&#039;s only one thing on my mind  
We&#039;re gonna have a good time  
We&#039;re gonna let it all unwind.  
I&#039;ll foot the bill and have some fun if you will.

We gotta do it tonight  
While the time is so right.  
We&#039;ll have a good time,  
Havin&#039; a party tonight.
