

Monty's Fan Club, That Boy Is Mine

Yeah...you need another will now,
'cause we're back with another MFC joint...hell, yeah...bo!

Oh, what is wrong with me?
Is it the way that I am, way that I stand
What is there you can't see?
I can't take you away from this place
And make you see what I see, the real true me
Am I crowding all of your spa-a-a-ace?

Yeah, yeah, yeah, yeah, it's been so long
since I've sung this song and I don't know what to do
Still I can't stand here and lose you
And if it takes 100 years to get by
Then I'll keep coming back, yeah,
keep coming back, keep coming back till I die
Till I die!

No one understands the way I feel about you
The way you feel about me
I can't seem to understand...
Yeah, what's so great about you?
Yeah, what the fuck is wrong with me?

Yeah, what is wrong with me?
Is it the way that I am, way that I stand
What is there you can't see?
I can't take you away from this place
And make you see what I see, the real true me
Am I crowding all of your spa-a-a-ace?

Yeah, yeah, it's been so long since
I've sung this song and I don't know what to do
Still I can't stand here and lose you
And if it takes 100 years to get by
Then I'll keep coming back,
yeah, keep coming back, keep coming back till I die
Till I die!

No one understands the way I feel about you
The way you feel about me
I can't seem to understand...
Yeah, what's so great about you?
Yeah, what the fuck is wrong with me?

Yeah, well, what is so wrong with me?
Is it the way that I am, yeah, the way that I stand
What is there you can't see?
I can't take you away from this place
And make you see what I see, the real true me
Am I crowding your space?

Yeah, yeah, it's been so long since
I've sung this song and I don't know what to do
Still I can't stand here and lose you
And if it takes 100 years to get by
Then I'll keep coming back, yeah,
keep coming back, keep coming back till I die
