Moonpools & Caterpillars, Ren

Sometimes when I hold my head in shame
I forget that I'm the one to blame
If I fall aimless on an endless journey
I'm beat up, broken, busted, angry
I can't explain, but it's true

Used to walk slowly now I'm running
Catching up's getting hard to do
Tell me now, tell me now what's got into you
Whispering softly now I'm screaming
My head starts to hurt, my heart's in pain
Tell me now, tell me now when will you explain

Then there comes a time for me to say
Just how I feel, but words get in my way
If I fall aimless on an endless journey
Will I be strapped, held down unfriendly?
I can't say why, but I try
