

Morandi, Feel me up inside

Uhhh-Uhhh

How could I give you the love
The love in my heart?

How could you feel what I feel
When you are so far.(so far)

How could I give you the love
The love in my heart?

How could you feel what I feel
When you are so far.(so far)

Refren: Feel me up inside

I got so much to give you.

Feel me up inside

Don't you know that I need you.

Ohh-Ohh! Feel me up inside.
