

Morandi, Oh La La

I've been searching all around the world
Always looking for my special girl
On your lips I find the sweetest thing
I'm gonna kiss you in a million ways

Oh, don't want no Angelina, no Britney or Christina
'Cause all I want is you la la...

Hit me

Oh, I'll be no Casanova with Ana Kournikova
'Cause all I want is you la la...

Hit me

I feel the fire burning in your eyes
A magic potion got us hypnotised
I'm so freaky for your afterglow
Lift me up where we're in danger zone

Oh, don't want no Angelina, no Britney or Christina
'Cause all I want is you la la...

Hit me

Oh, I'll be no Casanova with Ana Kournikova
'Cause all I want is you la la...

Hit me

Kiss me Baby

Tonight we're gonna shake it down
Down down down down down
Tonight we're gonna move it round
Round round round round round

Oh, don't want no Angelina, no Britney or Christina
'Cause all I want is you la la...

Oh, I'll be no Casanova with Ana Kournikova

'Cause all I want is you la la...

Oh, don't want no Angelina, no Britney or Christina
'Cause all I want is you la la...

Hit me

Oh, I'll be no Casanova with Ana Kournikova

'Cause all I want is you la la...

Hit me

Oh, don't want no Angelina, no Britney or Christina
'Cause all I want is you la la...

Hit me

Oh, I'll be no Casanova with Ana Kournikova

'Cause all I want is you la la...

Oh la la

Oh la la
