

Morandi, Sun Goes down

When the sun goes down
I feel like
I need you around
'Cause you're like
Butterflies in May, always flying away
Everytime you leave
I feel like
I just cannot breathe
'Cause you're like
Killing me inside when you're saying goodbye....goodbye
Chorus (x2)
Open your eyes and see him through
There's nothing inside but love for you
Never say never
Love could last forever
When the sun goes down
I feel like
I need you around
'Cause you're like
Butterflies in May, always flying away
Everytime you leave
I feel like
I just cannot breathe
'Cause you're like
Killing me inside when you're saying goodbye....goodbye
Chorus (x4)
Open your eyes and see him through
There's nothing insde but love for you
Never say never
Love could last forever
