

# Morbid Angel, The Lion's Den

Beasts awaiting, restless  
Circus victims panic struck  
Hunger spawns bestial frenzy  
Commencement of the feast  
By the sign of the cross  
Whips crack  
Centurians might be known  
Christians standing breathless  
Circus victims panic struck  
Scream Arena butchery  
Where is their god as the  
Faithful meet their end?  
Judgement has passed  
Who questions this law?  
Pagan belief of sacrifice  
Kill them all  
Kill them all for slander  
Kill them all and mute their ways
