

Morcheeba, Gained The World

I heard I lost it on the grapevine
I must admit I had a great time
There are words for people like me
But I don't think there's very many

I've gained the world and lost my soul
Maybe it's 'cause I'm getting old
All the people that I know
Have gained the world and lost their soul

There's no persuasion that I'm into
I've made some sense of what we've been through
We should form a new foundation
If we could find the right location

Is it prey
On display
I'm feeling weak

I've gained the world and lost my soul
Maybe it's 'cause I'm getting old
All the people that I know
Have gained the world and lost their soul

I've gained the world and lost my soul
Maybe it's 'cause I'm getting old
All the people that I know
Have gained the world and lost their soul
