

# Mordor, No More Suffer

Happiness - I see in my eyes  
Loneliness - I don't remember it  
I hated recollections  
I lost someone close  
I didn't believe in anything  
I am unfailing  
I experienced so much  
I was merciless  
Because I lost so much  
No more suffer  
No more pain  
Forever my happiness  
Forever my life  
Happiness - I see in my eyes  
Loneliness - I don't remember it  
Happineeeeeeeeeess  
No more suffer  
No more pain  
Forever my happiness  
Forever my life
