

Mordred, Every Day's A Holiday

I like to sleep all day
Go to work? Ha, no way
I see you work so hard
To pay your credit card
I see you bust your ass
To buy a new bus pass
So you can go to work
Like every other jerk
Every day's a holiday - Do you know what I mean?
Every day's a holiday
Don't you wish you were just like me?
I see you pay your dues
This is the life you choose
But nothing's guaranteed
Life's just a game to me
I see you bust your ass
So I think I'd rather pass
You buy the things you need
's all stuff I get for free
Every day's a holiday - Why work up a sweat?
Every day's a holiday
Don't you wish you were just like me?
{Repeat Chorus}
Every day's a holiday
