

# Morena, Vodka ( Eurovision 2008 )

(Na zdrowie!)  
(Hey hey hey hey hey hey)  
(Na zdrowie!)  
(Hey hey hey hey hey)  
The hunt is still on  
Here in Gorky Park  
Im in a danger zone  
Everywhere is pitch dark  
Im running away  
To a blanket of snow  
Spy One to Spy Four  
Ive deciphered the code, yeah  
Vodka thats the secret word  
Vodka and they want it so bad  
Vodka Ive deciphered the code  
Got a rush in the head  
Vodka a transparent word  
(Na zdrowie!)  
(Hey hey hey hey hey hey)  
(Na zdrowie!)  
(Hey hey hey hey hey)  
Cold blood drums within  
They breathe down my neck  
Spy One to Spy Four  
We just have to connect  
Their footsteps are near  
Closing in for the kill  
My pulse has gone dead  
With a heart-racing chill, yeah  
Vodka thats the secret word  
Vodka and they want it so bad, so bad, so bad  
Vodka Ive deciphered the code  
Got a rush in the head, yeah  
Vodka a transparent word  
(Vodka thats the secret word)  
(Na zdrowie!) Yeah  
(Vodka and they want it so bad) So bad, yeah  
(Hey hey hey hey hey hey)  
Vodka, yeah (Thats the secret word)  
(Na zdrowie!)  
Vodka a transparent word  
(Hey hey hey hey hey hey)
