

Morgan Wallen, Dangerous

I could see me sittin' in the back of a cop car bangin' my head on a window
I could see me slammin' that last call shot glass losin' everything in my billfold
Ooh, that's what I do when I'm drinkin' about you

So, I don't want to go downtown
Doin' what we used to
Twist the top off another round, hell, I got enough loose screws
I'm gettin' tired of hurtin' 'bout ya
Nothin' ever changes
I think I'm gonna stay right here tonight
'Cause that could be dangerous, 'cause that could be dangerous

I could see me doin' just fine with a daisy duke dime, but I don't see it lastin' long
I could see me orderin' too many drinks at the bar
Get the bartender pourin' 'em strong
That's what I do when I'm tryin' to drink you gone

So, I don't want to go downtown
Doin' what we used to
Twist the top off another round, hell, I've got enough loose screws
I'm getting' tired of hurtin' 'bout ya
Nothin' ever changes
I think I'm gonna stay right here tonight
'Cause that could be dangerous, 'cause that could be dangerous

Yeah, 'cause you
Got somebody else that you've been foolin'
Them same tricks up your sleeve, yeah
Ooh, I'd usually be the type to be out
Too but you ruined that for me
So

I don't want to go downtown
Doin' what we used to
Twist the top off another round, hell, I've got enough loose screws
I'm getting' tired of hurtin' 'bout ya
Nothin' ever changes
I think I'm gonna stay right here tonight
'Cause that could be dangerous, 'cause that could be dangerous
Dangerous, that could be dangerous
