

# Morgan Wallen, Quittin' Time

Puttin' in that overtime and comin' up with nothin'  
Sure as hell ain't for lack of tryin'  
There's no use wastin' time in fightin' for somethin'  
When you see that white flag a flyin'  
Can you hear that whistle blow?

There's all day thinkin' time  
And all night drinkin' time  
And time to sing or time to find  
If rhyme has a reason  
Time to pack it in and stay down  
Pack it up and walk away now  
And give it one more day or call it a season  
I can tell by the tears not in your eyes  
It's quittin' time

There's somethin' to be said for sayin' what needs sayin'  
A suitcase says it all to me  
Before the credits roll just know I always loved you  
So we wrote that famous final scene  
Where you turn and walk out on me

There's all day thinkin' time  
And all night drinkin' time  
And time to sing or time to find  
If rhyme has a reason  
Time to pack it in and stay down  
Pack it up and walk away now  
Give it one more day or call it a season  
I can tell by the tears not in your eyes  
It's quittin' time  
It's quittin' time

Every start has an end  
Every first has a last  
Every now has a then  
Every future has a past  
And sometimes you want it back

There's all day thinkin' time  
And all night drinkin' time  
And time to sing or time to find  
If rhyme has a reason  
Time to pack it in and stay down  
Pack it up and walk away now

Give it one more day or call it a season  
I can tell by the tears not in your eyes  
It's quittin' time  
It's quittin' time
