

Morgan Wallen, You Proof

Yeah I've been throwin down the whiskey
I ought to get my money back
Someone said it drowns the memory
Aw, but it ain't doin jack
Yeah I've been sippin' I've been buzzin'
Shootin doubles like it's nothin'
Aw but nothin' makes you go away

I need something you proof
Something stronger than I'm used to
Yeah I've been pullin' 90 to a hundred
Feel like nothin's gonna cut it
That's the hard truth
Yeah I need something you proof
Aw I need something you proof

Poured em up till they're shuttin em down Yeah
You never ain't not around yeah
Don't matter what time what town
I can't get you gone
Turned the bar yeah upside down
Just looking for somethin' that does it
I'd give'm all my money
Ain't nobody sellin' nothin

you proof
Something stronger than I'm used to
Yeah I've been pullin' 90 to a hundred
Feel like nothin's gonna cut it
That's the hard truth
Yeah, I need something you proof
Aw, I need something you proof

Yeah I've been mixing liquors tryin' to get you gone
Aw, but I must be doing somethin' wrong
Cause I've been workin hard to fade your memory
Baby but the only thing faded is me

I need something you proof
Something stronger than I'm used to
Yeah I've been pullin' 90 to a hundred
Feel like nothin's gonna cut it
That's the hard truth
I need something you proof
Aw, I need something you proof
