This is a jetsetter music letter from me to you  
This is a jetsetter music letter from me to you  
Im writing from the bedroom, Im ennui and in my cups.  
All the kids are kissing in the bathroom, licking bags to get their ups.  
Ive gotten 3 proposals since I left home, and none have left me impressed  
It's getting much harder to say no and even harder to say yes  
This is a jetsetter music letter from me to you  
This is a jetsetter music letter from me to you  
You've had enough annihilator, whose treasure was her trap  
And when she wrapped her legs around your head, you knew you wouldnt get it back.  
Its been 16 days since I've left home, 16 days too long  
And what she does feels oh so right, so you know it must be wrong.

Whoa  
Now Im writing cause I miss you, and Im writing cause Im stuck  
All these strangers all around me, they don't seem to give a fuck  
And Im tired of sleeping in strange beds, And I've done more than you'd allow  
Ive had enough of jetsetting and I wanna come back now.  
I wanna come back now  
I wanna come back now  
I wanna come back now  
I wanna come back now
