

morphine, Cure For Pain

Where is the ritual?
And tell me where, where is the taste?
Where is the sacrifice?
And tell me where, where is the faith?
Someday there'll be a cure for pain
That's the day I throw my drugs away
When they find a cure for pain
Where is the cave where the wise woman went?
And tell me where, where's all that money that I spent?
I propose a toast
To my self control
You see it crawlin helpless on the floor
Someday there'll be a cure for pain
That's the day I throw my drugs away
When they find a cure for pain
Find a cure for
Find a cure for pain
