

# Morris Albert, Heaven

Lord,  
Let me find heaven  
Let me find peace of mind  
Help me find love again, love for the first time

Make me feel once again  
Let me be part again  
Of the world we live in

Lord,  
Help me find someone  
Let me share all I have  
Let me love while I can, someone who needs me

Someone to hold my hand  
Someone to be my friend  
(Woman) to understand and.....

Say.. Yes, we've found heaven  
Right here down where we are  
A place full of happiness and...  
Love
