

Morrissey, Lost

Jet trails in the sky
Leave one word behind
A hand bangs into sand a name
And we all understand

Everybody's Lost
But they're pretending they're not
Lost
Oh, Lost

Jet trails in the sky
Leave one thought behind
A hand bangs into sand a name
And we all understand

Everybody's Lost
But they're pretending they're not
Lost
Oh, Lost

So if I see you
And I tell you
How I've watched you
I'm just Lost

So if I see you
And I tell you
I've watched you
Don't make fun of me later
Cause I'm just Lost

If I see you
And I tell you
How I've watched you
Don't make fun of me later
Cause I'm just Lost

If I see you
And I tell you
How I've watched you
Don't make fun of me later
Cause I'm just Lost
Lost Lost Lost Lost Lost Lost
