Morrissey, Lost

Jet trails in the sky Leave one word behind A hand bangs into sand a name And we all understand

Everybody's Lost But they're pretending they're not Lost Oh, Lost

Jet trails in the sky Leave one thought behind A hand bangs into sand a name And we all understand

Everybody's Lost But they're pretending they're not Lost Oh, Lost

So if I see you And I tell you How I've watched you I'm just Lost

So if I see you And I tell you I've watched you Don't make fun of me later Cause I'm just Lost

If I see you And I tell you How I've watched you Don't make fun of me later Cause I'm just Lost

If I see you And I tell you How I've watched you Don't make fun of me later Cause I'm just Lost Lost Lost Lost Lost Lost
