Mos Def, I Against I

(feat. Massive Attack)

[Hook: Mos Def]
I-ya
I against I
flesh of my flesh
and mind of my mind
two of a kind but one won't survive
my images reflect in the enemies eye
and his images reflect in mine the same time
I-ya, I-ya
I against I
flesh of my flesh
and mind of my mind
two of a kind but one won't survive

[Mos Def]
Right here is where the end gon' start at
conflict, contact 'n' combat
fighters stand where the land is marked at
settle the dispute about who the livest
3 word answer
Whoever survive this
only one of us can ride forever
so you and I cant ride together
can't live or cant die together
all we can do is collide together
so I skillfully apply the pressure
won't stop until I'm forever... one!
A door step where death never come
spread across time til my time never done
and I'm never done
walk tall, why ever run?
when they move if I ever come?
bad man never fret the war, tell'em come
general we have the stock, the mad fire burn

[Hook: Mos Def]
I-ya
I against I
flesh of my flesh
and mind of my mind
two of a kind but one won't survive
my images reflect in the enemies eye
and his images reflect in mine the same time
I-ya, I-ya
I against I
flesh of my flesh
and mind of my mind
two of a kind but one won't survive
survive [x16]

[Mos Def]
Reign supreme in your U-N-I
V-E-R-S-E with the sharpness
narrow row building no space for partners
no space for drivers, no space for walkers
no space regardless
your on my path then get off it
hardheaded and unresponsive
get they lives put on target with harshness
come with the canons sparkin' they darken
who am i? one man squadron
Ma stir the fire this time that'd snatch your tomorrow

the thousand yard spear that'll pierce through your armor
you can get it on right now if you want to
but when ya front 9 get marched through
I warned you
You know who forever belong to

[Hook: Mos Def]
I-ya, I-ya
I against I
flesh of my flesh
and mind of my mind
two of a kind but one won't survive
my images reflect in the enemies eye
and his images reflect in mine the same time
I-ya, I-ya
I against I
flesh of my flesh
and mind of my mind
two of a kind but one won't survive
my images reflect in the enemies eye
and his images reflect in mine, survive
survive [x16]
